Community Donations Support New Vehicle Purchase for GCCAC Meals on Wheels

OAKLAND, Md.—October 19, 2021—Garrett County Community Action Committee (GCCAC) is delighted to announce the unveiling of a new Meals of Wheels (MOW) vehicle. The new vehicle will be delivering meals to seniors from the Grantsville site. The Meals on Wheels driver will be serving seniors safely and in style in the 2021 Ford Escape.

Nutrition Operations Manager, Jeannie Tichnell, stated “we truly appreciate the continued generosity of our community partners and our community members. Together we can provide a valuable service to our most vulnerable citizens. The Meals on Wheels program provides nutritious meals five days a week and provides our seniors with much-needed social contact.”

Obtaining the new vehicle has been made possible by the generous donation from the Garrett Cooperative Ministry Inc. and the Garrett County Marine Corps League Detachment 1234. Community partnerships are imperative to the mission of GCCAC, and the MOW program will continue to grow and keep seniors fed throughout the area.
